ABOUT CHPC

THE STATE CREATED THE CALIFORNIA HOUSING PARTNERSHIP NEARLY 30 YEARS AGO AS A PRIVATE NONPROFIT ORGANIZATION WITH A PUBLIC MISSION: TO MONITOR, PROTECT, AND AUGMENT THE SUPPLY OF HOMES AFFORDABLE TO LOWER-INCOME CALIFORNIANS AND TO PROVIDE LEADERSHIP ON AFFORDABLE HOUSING FINANCE AND POLICY. SINCE 1988, THE CALIFORNIA HOUSING PARTNERSHIP HAS ASSISTED NEARLY 200 NONPROFIT AND LOCAL GOVERNMENT HOUSING ORGANIZATIONS LEVERAGE MORE THAN $13 BILLION IN PRIVATE AND PUBLIC FINANCING TO CREATE AND PRESERVE 65,000 AFFORDABLE HOMES.
The California Housing Partnership calls on state leaders to take the following actions to provide relief to low-income families struggling with the high cost of housing:

» Create new sources of long-term revenue dedicated to producing and preserving affordable homes by passing the Building Homes and Jobs Act (SB 2) and an expansion of the state Low Income Housing Tax Credit (AB 71).

» Give voters a chance to approve new state funding for affordable housing by passing the Affordable Housing Bond Act of 2018 (SB 3).

» Lower the voter approval threshold for local housing infrastructure bonds to 55% as it is for education facility bonds (ACA 4).

» Reduce the loss of existing affordable homes by strengthening the State Preservation Notice Law through improved monitoring and enforcement (AB 1521).

» Restore the ability of local governments to require apartment developers to include affordable rental homes within each development (AB 1505).

All local governments in the region should:

» Generate new local revenue for affordable homes by (1) pursuing a General Obligation Bond to address more immediate needs, and (2) identifying permanent sources of funding to meet future housing need.

» Dedicate all or a significant portion of former Redevelopment funds (“Boomerang” funds) for affordable housing purposes.

» Adopt an inclusionary housing policy that requires market rate residential developers to set aside a portion of their development for lower income households or dedicate land and pay a fee to fund affordable housing production.

» Prevent homelessness by requiring set-asides for homelessness units in all publicly assisted developments and identifying high priority sites for permanent supportive housing.

» Adopt an ordinance prohibiting rental housing managers from refusing to rent to applicants based on source of income or rent payments, including rental housing vouchers.
